About the Sport Information Books

Published in January 2017, the Sport Information Books offer a detailed introduction to each sport at the PyeongChang 2018 Paralympic Winter Games, as well as provide information on a variety of other fundamental topics that may be of importance to teams as they continue their planning and preparations. *Sport Information Books* is the new name for what was called *Sport Explanatory Books*.

This guide is divided into several sections:

- Sport-specific information on subjects such as the competition venue and format; rules; training; and qualification criteria;
- General information touching on the athletes' village, transport, doping control and awards;
- (appendix) A venue map, a venue fact sheet and a daily competition schedule for all sports.

All information provided in this Information Book was correct at the time of publication in January 2017; however, please note that details may change between this date and the Games. NPCs are advised to check the PyeongChang 2018's NPC Extranet (extranet.pyeongchang2018.com) for important updates on topics, such as the competition schedule.

Detailed Team Leaders' Manuals, covering Games-time plans for every Paralympic sport, will be distributed to NPCs in January 2018.

The following information is taken from the PyeongChang 2018 Paralympic Winter Games Qualification Guide, a publication updated by the International Paralympic Committee (IPC) in January 2017.

Athletes Quota

Male	Female	Total
70	36	106

Allocation of Qualification Slots

The qualification slot is allocated to the NPC, not to an individual athlete. In the case of a Bipartite Commission Invitation the slot is allocated to the individual athlete, not to the NPC. Slots are allocated by sport class (LL1, LL2, UL) and must be used accordingly.

Maximum Quota Allocation per NPC

An NPC may be allocated a maximum of ten (10) male qualification slots and six (6) female qualification slots. Exceptions may be made via the Bipartite Commission Invitation Allocation method.

Athlete Eligibility

To be eligible for selection by an NPC, athletes must:

- Hold a valid WPSB license for the 2016/2017 and 2017/2018 seasons;
- Have achieved race points in at least one (1) race of the 2017/2018 season by 19 February 2018; and
- Be internationally classified with either a 'Confirmed' sport class status or a 'Review' sport class status with a review date after the 2017/2018 season.

Maximum Entry per NPC

An NPC can enter a maximum of three (3) eligible athletes per medal event (Bipartite exceptions apply).

Qualification System

Qualification slots will be allocated as follows:

Method	Qualification	Total
2017 WPSB World Championships Allocation	The top-ranked athlete in each medal event at the 2017 WPSB World Championships obtains one (1) qualification slot for their NPC. In the case that an athlete is top-ranked in more than one medal event, the vacant slot(s) will be allocated through the Bipartite Invitation Allocation method (see below).	6 male athletes 4 female athletes
2016/2017 WPSB World Ranking List Allocation	The seven (7) highest ranked male athletes (not otherwise qualified) in each medal event on the WPSB World Ranking List as of 1 May 2017 each obtain one (1) qualification slot for their NPC up to the maximum quota. The five (5) highest ranked female athletes (not otherwise qualified) in each medal event on the WPSB World Ranking List as of 1 May 2017 each obtain one (1) qualification slot for their NPC up to the maximum quota. Any slots that cannot be allocated through this method will be allocated through the Bipartite Invitation Allocation method (see below).	42 male athletes 20 female athletes
Bipartite Commission Invitation Allocation	Twenty-two (22) eligible male athletes and twelve (12) eligible female athletes will be considered by WPSB and the IPC for Bipartite Commission Invitation slots. To be considered for a Bipartite Commission Invitation, NPCs must submit an official application in writing to WPSB by 22 January 2018.	22 male athletes 12 female athletes

Their names and rankings will be announced to the spectators, but no gifts or medals will be presented. There will also be no raising of their countries' flags or playing of any anthems. The announcement is a short opportunity for photographers and broadcasters to capture post-race images of the winners. Athletes may carry with them their sport equipment as long as it complies with the IPC Manufacturers Guidelines.

Victory Ceremonies, including the presentation of medals, will take place at the Paralympic Medals Plaza in PyeongChang on the same day except when the competition event is late in the day, in which case it will be held the following evening. For the events which will take place on the last day of the Paralympic Winter Games, the Victory Ceremony will be held at the competition venue.
